I'm Scott Fischer and I am running to represent this membership as 1st Vice President. As your current 2nd Vice President I have had the opportunity to delve into many other areas covering many topics of discussions, grievances, equal opportunities, accommodations and more, taking on every new situation with determination and dedication. I am continuously learning on how to make our members thrive and take control of your working conditions

I remain committed to every level of membership and will remain steadfast in fulfilling my duties to represent and protect all members rights and privileges.
