

### **Employee Consent – Employee Purchase Plan**

Date: \_\_\_\_\_

To: SaskTel

From: \_\_\_\_\_ (Employee Name)

I confirm that I am an employee of the City of Regina and eligible for and authorized by the City of Regina to enroll in the Employee Purchase Plan ("EPP") for wireless service from SaskTel according to the terms of the City of Regina's Corporate Agreement with SaskTel for wireless service.

I acknowledge that SaskTel is relying upon this letter in agreeing to enroll me in the EPP noted above along with showing current proof of employment (through an active corporate email address, paystub, letter from HR, a corporate ID badge, etc.). If I cease to be an employee of the City of Regina, I agree that I will immediately advise SaskTel of that fact. I agree that at that time my wireless service will be moved by SaskTel to another consumer wireless plan that SaskTel has available in the market at that time.

I agree and consent to SaskTel sharing with the City of Regina from time to time my name and that I am a wireless service customer of SaskTel for the purpose of SaskTel auditing its Corporate Agreement for wireless service with the City of Regina to ensure that only authorized employees of the City of Regina are participating in the City of Regina EPP noted above.
