

City of Regina

Employee Purchase Plan (EPP)

To be eligible for the wireless Employee Purchase Plan (EPP) you must:

- Show current proof of employment with your corporate ID badge
- Present the Employer/Employee Consent Forms to a SaskTel Store or Authorized Dealer at the time of activation or upgrade

An employee is eligible for one device on the EPP and can select from the preferred rate plans as outlined below, or any other business rate plan that SaskTel may have in the market at the time of activation. At the end of your employment with City of Regina, you are no longer eligible for the EPP rate plans and must change to a consumer rate plan.

Switch and Save up to \$680!

Make the move now and switch to SaskTel Business Wireless service from your current provider. When you upgrade to a new device, SaskTel will offer you a \$450 credit⁵.

Already have a device? Switch your number to SaskTel and save up to \$680 over 24 months, which includes a \$200 credit⁵, and an additional \$20 Bring Your Own Device credit every month!

¹A \$20 per month Bring Your Own Device Discount off of the regular monthly price is available when your device is on a month-to-month term and was not purchased with a subsidy discount. The BYOD discount also applies when the device is ported in from an alternate carrier, or any purchase of a new device from SaskTel without a subsidy discount. The BYOD discount will no longer be available if an employee upgrades their device on a contract term.

²Data speeds are reduced to a maximum of 2 Mbps once the full-speed data amount is reached. For more information, see sasktel.com/fairuse

³Additional data rate is \$6/day for 1 GB

⁴Unlimited messages sent and received while in Canada, the U.S., and most of the Caribbean are included. For a full list of Caribbean countries included, please see sasktel.com/caribbean. Business VIP Unlimited voice and data plans include unlimited text messaging in Canada to anywhere in the world. The Business VIP Unlimited CAN U.S. & MX 150 plan includes unlimited text messaging while roaming in Mexico to CAN, U.S., and Mexico. Unlimited text messaging is subject to Wireless Fair Use Policy. Please see sasktel.com/fairuse for more information.

⁵When switching to SaskTel on a voice and data contract, SaskTel will provide a \$450 credit per wireless number moved in from a competitor (the credit will be split equally over 24 months as a credit of \$18.75 per month) when a new SaskTel device is purchased on a voice and data 2-year contract term. If a voice and data device is ported in, and not upgraded, a \$200 port-in credit will be provided. This credit will be split equally over 24 months as a credit of \$8.33 per month. Customers must go on a voice and data plan, and will also be eligible for the Bring Your Own Device discount of \$20 per month. Once any such Device is upgraded, the BYOD credit will no longer apply.
