- 8.1.1.3. Any matter involving the alleged violation of any provisions of this agreement.

8.1.2. Informal Discussion

Whenever possible, the Employee/Union will discuss the complaints with the supervisor and/or branch manager prior to filing a formal grievance. If a matter cannot be resolved through discussions, then the Union may initiate the grievance procedure. **The Union shall have the right to interview and obtain information pertaining to the grievance from any employee or any other person believed to have knowledge of the grievance.**

8.1.3. Initiating a Grievance

When an employee has a grievance, they shall, within 10 calendar days following the act or omission giving rise to such grievance, state their grievance in writing addressed to the Union.

8.1.4. Selection Grievances

Where the grievance is based on selection, the successful applicant shall be advised of the grievance within 14 days of the filing of the grievance.

- 8.1.5. Step 1: The Union shall, within 10 calendar days after receipt of the grievance, have the right to make a submission to the Director of the Department concerned and the Director of Human Resources. After filing the grievance the parties may mutually agree to advance the grievance to Step 2 as outlined in 8.1.6. In making application for a hearing the Union, shall outline, in writing, the matter complained of and the settlement sought. The hearing shall be held within 10 calendar days of the application being made, and the Union may have the employee or employees concerned present at the hearing. The Director of the Department shall, within 10 calendar days following the hearing, give their decision and reasons in writing to the Union. **It is understood and agreed that the individual who made the decision that gave rise to the Grievance shall not hear or decide on any steps of the Grievance process, with the exception of the informal discussion 8.1.4.**

Should a grievance be filed as a result of a dismissal, the grievance will commence at Step 2.

- 8.1.6. Step 2: The Union shall have the right to appeal the decision of the Director of the Department to the City Manager, or their designate. In so doing, the Union shall file with the City Manager or their designate, a written statement of the claim along with the reasons for lodging the appeal. The appeal shall be filed with the City Manager or their designate, within 10 calendar days following receipt of the decision of the Director of the Department. It is understood that the same individual will not hear both Step 1 and Step 2.
- 8.1.7. The City Manager, or their designate, shall hear the appeal within 10 calendar days after it has been filed with them and shall give their decision within 10 calendar days after the conclusion of the hearing.
- 8.1.8. Step 3: Any grievance which is not settled by the procedures set forth may be referred to a Board of Arbitration (Board) by either party of this Agreement. Alternatively, within the same timelines, by mutual agreement, the parties may agree to utilize the expedited arbitration process outlined in 8.1.17. below or non-binding grievance meditation.

Notwithstanding the provisions of clauses 8.1.8. through 8.1.15., the City and the Union may, by mutual consent, waive the provision to refer the grievance to a Board and elect to take the grievance to a single Arbitrator whose decision shall be final and binding and enforceable on all parties.

- 8.1.9. When either party requests that a grievance be submitted to a Board, the request shall be made by registered mail or alternative method that provides proof of receipt, addressed to the other party of the agreement, indicating the name of its nominee on the Board. Within seven (7) calendar days thereafter, the other party shall answer by registered mail or alternate method that provides proof of receipt, indicating the name and address of its nominee to the Board. The parties shall then meet to select an impartial chairperson.

- 8.1.10. If the recipient of the notice fails to appoint a nominee, or if the parties fail to agree upon a chairperson within seven (7) calendar days of appointment, the appointment shall be made by Minister of Labour, upon request by either party.
- 8.1.11. The Board may determine its own procedure, but shall give full opportunity to all parties to present evidence and make representation to the Board. It shall hear and determine the difference or allegation and render a decision within 60 calendar days from the time the hearing is completed.
- 8.1.12. The decision of the majority shall be the decision of the Board. Where there is no majority decision, the decision of the Chairperson will be the decision of the Board. The decision of the Board shall be final and binding and enforceable on all parties, but in no event shall the Board have the power to change this agreement or to alter, modify or amend its provisions. However, the Board shall have the power to dispose of any discharge or a discipline grievance by any arrangement which in its opinion it deems just and equitable.
- 8.1.13. Should the parties disagree as to the meaning of the decision, either party may apply to the Chairperson of the Board to reconvene the Board to clarify the decision which it shall do within three (3) days.
- 8.1.14. When either party applies for the establishment of a Board, each party shall pay the fees and expenses of their own nominee, and shall each pay one-half (1/2) of the costs of the fees and expenses of the Chairperson.
- 8.1.15. The authority making the final decision shall determine the financial or other arrangements to be made in the case of any suspension, dismissal, or demotion.

 - 8.1.17.3. Unless mutually agreed otherwise and exclusive of terminations and promotional grievances, arbitrations will be scheduled into the available hearing dates in the order of the date on which the Union referred the case to arbitration. It is agreed that termination and promotional grievances take precedence and such grievances will be assigned the next available arbitration hearing date whenever possible or as may otherwise be mutually agreed by the parties. Any other case the parties mutually agree ought to be heard expeditiously may also be given precedence.

8.1.17.4. Subject to the approval set out in 8.1.17.1. hereof, the following criteria shall be used to determine appropriate grievances for expedited arbitration:

- 8.1.17.4.1. Grievances that seek an individual settlement, i.e. settlement applies only to the grievor, would not result in a similar claim by other employees, shall have no precedential value and shall not thereafter be referred to by the parties in respect to any other matter in any other setting.
- 8.1.17.4.2. Grievances that have limited depth regarding complex legal issues.
- 8.1.17.4.3. Grievances that involve the interpretation and application of the alleged violation of the collective agreement.
- 8.1.17.4.4. Grievances where there is a limited range of solutions or single solution to the concern raised.

8.1.17.9. No more than two cases to be scheduled in one day.

8.1.17.10. The maximum time allotted to hear each case is three (3) hours. The parties will endeavour to abide by this time limit; extensions may occur by mutual agreement.

8.1.17.11. The parties shall follow the following procedural guidelines:

- 8.1.17.11.1. Documents tabled;
- 8.1.17.11.2. Brief opening statement by each of the parties;
- 8.1.17.11.3. Witnesses (maximum two per party), examined, cross-examined and questioned by Arbitrator;

- 8.1.17.11.7. The arbitrator may issue a verbal decision immediately. Within five (5) calendar days a written decision shall be rendered setting out the reasons which the Arbitrator deems necessary to convey a decision. Decision and reasons are limited to two pages. The decision of the Arbitrator will be final and binding on the parties;

8.1.17.12. The terms of this agreement may be changed at any time by mutual agreement by both parties.

8.1.17.13. The terms of requirements of this agreement may be waived by mutual agreement for any specific grievance.

8.1.17.14. Expedited arbitration awards shall not set a precedent and shall not be referred to by the parties in respect to any other matter.

8.1.17.15. All settlements of expedited cases prior to the hearing are made on a without prejudice basis and shall not be referred to by the parties in respect of any other matter.

8.1.17.16. The decision of the Arbitrator shall be final and binding and enforceable on all parties but in no event shall the Arbitrator have the power to change the collective bargaining agreement or to alter, modify, or amend its provisions. However, the Arbitrator shall have the power to dispose of any discharge or discipline grievance by any arrangements which, in its opinion, it deems just and equitable.

8.1.17.17. Should the parties disagree as to the meaning of the decision either party may apply to the Arbitrator to clarify the decision which it shall do within 10 calendar days.

LETTER OF UNDERSTANDING

BETWEEN

THE CITY OF REGINA

AND

THE REGINA CIVIC MEMBERS' UNION CUPE LOCAL 21

RE: Temporary Layoff and Permanent Staff Reduction

1. Temporary Layoff

When a layoff is required due to a temporary reduction in services (e.g. lack of snow), redeployment of staff would occur according to the following:

- 1.1. In anticipation of a situation requiring reduction of staff, the amount of staff reduction will be identified and plans for redeployment will be communicated to the union together with a list of vacant positions.
- 1.2. In accordance with Schedule "B", all casual staff will be laid off in:
 - 1.2.1. The department in which the reduction of work force occurs, followed by;
 - 1.2.2. The bargaining unit, providing the permanent staff designated for redeployment possesses the qualifications and ability as per Article 10.1.2.1. to perform the work which the casual staff are performing.
- 1.3. If insufficient opportunities exist in the casual workforce, permanent employees will be laid off in reverse order of their bargaining unit seniority.
- 1.4. The City will identify the staff affected by the proposed reduction and such staff will be **contacted and requested** to provide a resume outlining current skills, abilities and experience.
- 1.5. Return of redeployed staff to their home department will be conducted in order of their seniority, provided they possess the qualifications and ability to perform the required work as per Article 10.1.2.1. The timetable for return of staff will be by mutual agreement between the City and the Union.
- 1.6. Staff identified for redeployment will be required to exhaust all banked time prior to reassignment. Vacation may be taken at the discretion of the employee.

2. Permanent Reduction of Staff

- 2.1. Prior to a layoff caused by a permanent reduction in services, the City will review all permanent vacancies to ensure that vacant positions are identified and filled prior to reducing staff.

- 2.2. In the event that the City reduces its permanent complement, and should that reduction mean the elimination of any permanent position, the City shall provide not less than 30 calendar days written notice to the affected permanent employee and Union. **Such notice will include the options available to the employee.** The affected permanent employee shall be the most junior permanent employee in the classification in which the reduction is to occur.
- 2.3. A permanent employee having received a notice of layoff shall have the right to exercise one of the following options:
 - 2.3.1. To exercise bumping rights, subject to qualifications and seniority
 - 2.3.2. To accept the layoff and be placed on a layoff list, eligible for recall
 - 2.3.3. To resign
 - 2.3.4. To retire, if eligible
- 2.4. A permanent employee who intends to exercise bumping rights shall indicate such in writing to Human Resources, with a copy to the Union within **seven (7) calendar days** of receipt of the notice of layoff. If the employee elects to bump, the parties will identify the bumping option within **12 calendar days** of notice from the employee. If the employee fails to indicate such intentions the employee will be deemed to have elected to go on layoff. While every reasonable effort will be made to complete the bumping process for an employee before the layoff date, no employee will be retained in their original position beyond the layoff date.

Bumping for an employee shall cease once the employee is offered a position at any step of the bumping order. Bumping up shall not be allowed.
- 2.5. All bumping will be toward another position in the bargaining unit. An employee may bump to a position that carries the same maximum salary or wage provided the employee is qualified as per Article 10.1.2.1., and has more seniority than the permanent employee who is being bumped. The order of priority for bumping shall be:
 - 2.5.1. 1st Priority: a permanent position in the employee's department that is held by a casual employee.
 - 2.5.2. 2nd Priority: a permanent position in another department that is held by a casual employee.
 - 2.5.3. 3rd Priority: a permanent position in the employee's department held by the permanent employee with the least seniority at that pay class.
 - 2.5.4. 4th Priority: a permanent position in another department which is held by the least senior employee at that pay class.
- 2.6. In the event that no permanent position is available, at the same maximum hourly wage rate, for which the employee is qualified, or if the employee has insufficient seniority to bump at the same pay class within the department, the employee may bump to a lower level permanent position for which the employee is qualified, as per Article 10.1.2.1. The order of bumping shall be considered pay class by pay class in the order as outlined in 2.5. above.

- 2.7. In the event the employee does not bump in accordance with 2.4., 2.5., or 2.6. above, the employee may bump a casual employee in a non-permanent position, first in the home department and failing that, in an outside department. The casual employee may be laid off as a result.

If the employee fails to bump in accordance with 2.4., 2.5., or 2.6. above, the employee shall be placed on layoff according to their notice.

- 2.8. An employee will have **seven (7) calendar days** to consider whether to accept an offer resulting from exercising bumping rights. If the employee does not accept the offer within the **seven (7) calendar days**, the employee will be deemed to have accepted the notice of layoff. Such offer will be made in writing to the employee (copy to the Union) and acceptance of the offer must be provided by the employee in writing.

If an employee accepts a bump to a lower paying position the rate of pay will be the maximum step in the new range or equal to the rate the employee was receiving in their former position, whichever is the lesser, but in no event shall the rate of pay be lower than the minimum of the new range.

- 2.9. The bumping rights in this clause shall also apply to any permanent employee who has been bumped.
- 2.10. Permanent employees who have been laid off as a result of the bumping provisions in this article shall retain their seniority for 24 consecutive months and shall be returned to the workforce as follows:

- 2.10.1. The most senior employee who was laid off shall be recalled in order of seniority, provided the employee possesses the qualifications and ability to perform the work that is available.
- 2.10.2. Notice of their recall shall be by double registered letter (copy to the Union), which will be sent to their last known address on record with Human Resources.
- 2.10.3. It shall be the responsibility of each employee to notify Human Resources of any change in their home address and telephone number.
- 2.10.4. Refusal of a recall or failure to answer a recall notice within **seven (7) calendar days** as specified herein shall give the City cause to conclude the employee has resigned.

All permanent employees on layoff, upon completing a resume, will be considered for permanent vacancies that are posted.

2.11. Probationary Period

An employee recalled or bumped to a position outside their own classification will be subject to a three-month probationary period. If such employee does not prove themselves capable of filling the position concerned, or where the employee

requests to be reverted, they shall revert to the provisions of 2.3. above. If the employee is unsuccessful or wishes to revert after the second application of this letter of understanding, they shall be placed on the recall list.

2.12. Orientation and Training

Departments may be required to provide orientation and on-the-job training to an employee bumping into a department. The employee must be assessed of their ability to perform the work prior to the conclusion of the three (3) month probationary period.

2.13. When it is mutually agreed between the parties, the provisions of this letter of understanding may be temporarily superseded in the interests of reducing the time frames and revising the protocols and processes contained herein.

2.14. This Letter of Understanding becomes effective upon the date of ratification by CUPE Local 21.

In witness hereof, the parties have caused these present to be executed this

Re: Selection Process – Relative Ability for People Leaders

10.1.2.1. In filling vacancies or new positions within the scope of this agreement, the City shall follow the principle of seniority, in accordance with Article 9, and Schedule B4.1., together with the qualifications necessary to perform the duties required for the position to be filled.

Notwithstanding the above, in filling vacancies that have people leadership responsibility, the most qualified applicant who possesses the necessary qualifications shall be selected. However, where the qualifications of two (2) or more applicants are relatively equal, seniority, in accordance with Article 9 and B4, shall be the governing factor. People leadership shall be defined as any job which rates:

- Level D – H in the “Supervision” factor of the existing job evaluation tool; or
- Level 3 – 4 in the “Responsibility for the Work of Others” factor in the job evaluation tool that is being jointly developed by the parties.

For greater clarity and as a result of not all jobs being rated, the following is a list of current positions that meet the criteria and are marked in pay schedules 1 and 2 with a double asterisk. Any new job, newly rated job, and reclassified job would follow the criteria as set out above.
